

D.K. Chetty Physiotherapy

WEBSITE · DESIGN DECK 2026

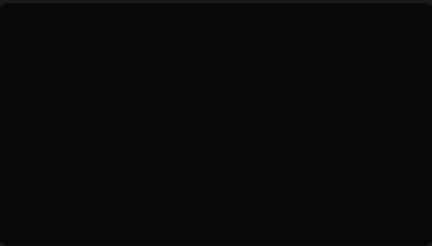

Elevate your Movement.

A complete design presentation for D.K. Chetty Physiotherapy — showcasing the hero, about, services, patient stories and contact sections across desktop and mobile. Built with Next.js 14, Tailwind CSS and Framer Motion.

✓ REGISTERED WITH ALL MAJOR MEDICAL AIDS · HPCSA REGISTERED

01 · FOUNDATIONS

A premium black / white / grey palette — clinical authority without clinical coldness. A warm gold accent lifts the brand above the monochrome. Montserrat Black for display; Inter for crisp body copy. Generous whitespace, subtle card borders and Framer Motion scroll-reveals create a confident, modern practice identity.

FRAMEWORK

Next.js 14 · TypeScript · App Router

UI & MOTION

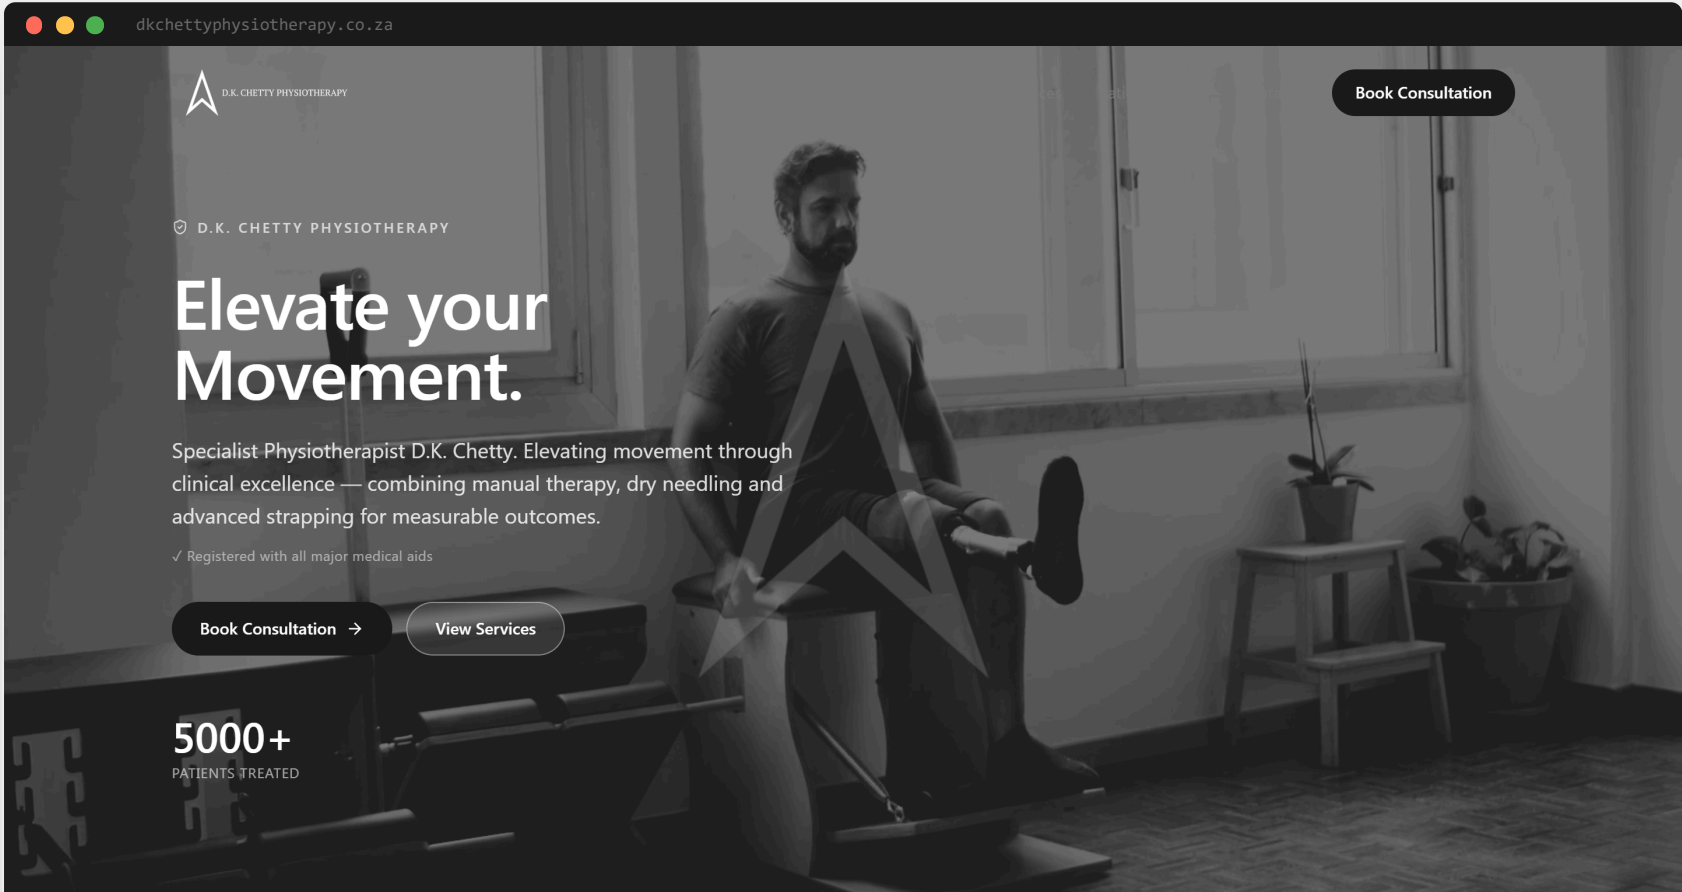

Tailwind CSS · Framer Motion · Lucide

02 · HERO

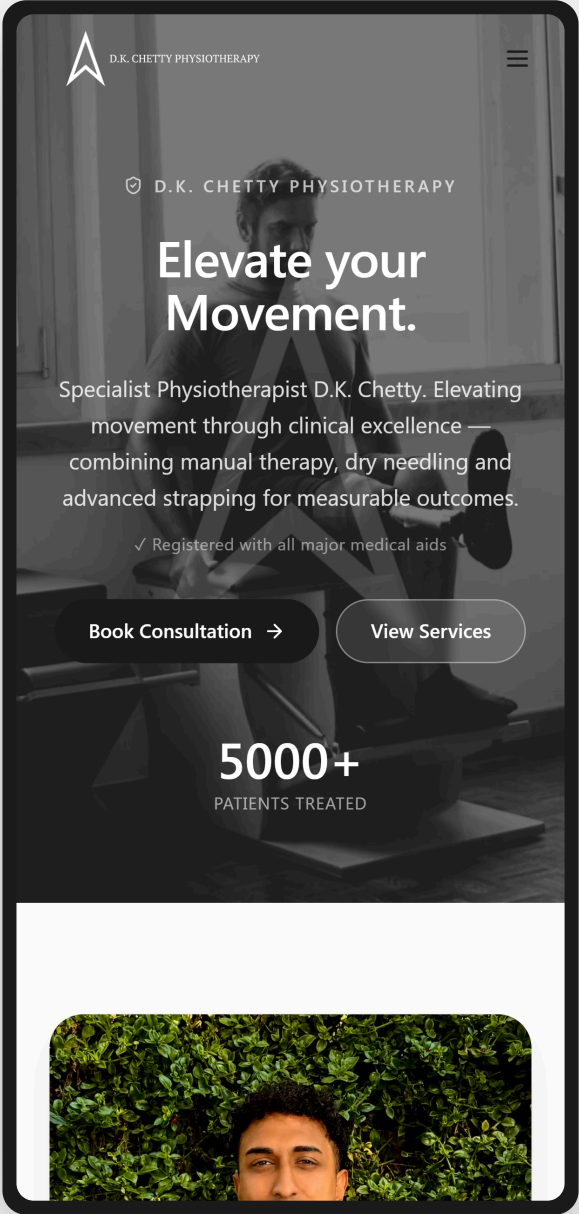

Hero — Elevate your Movement

Full-screen video background with dark overlay. Headline, subtext, CTA buttons, animated 5000+ patient counter and a medical aids badge. Content centres on mobile, left-aligns on desktop.

DESKTOP · 1440 × 900

MOBILE · 393 × 852

DESIGN NOTES

Hero — Elevate your Movement

Fullscreen video background (KC-Hero5.mp4) with a bg-black/40 overlay. Three-layer iOS & Android autoplay fix: setAttribute("muted",""), immediate play(), canplay retry, and touchstart fallback.

Animated counter uses requestAnimationFrame with a cubic ease-out curve to build from 0 → 5,000+ on load. Eyebrow, headline, paragraph, CTA buttons and stat all centre on mobile via Tailwind responsive classes.

BACKGROUND

Fullscreen video · bg-black/40 overlay · z-index stack

AUTOPLAY

iOS + Android compatible · 3-layer play() strategy

COUNTER

0 → 5000+ animated · requestAnimationFrame · ease-out cubic

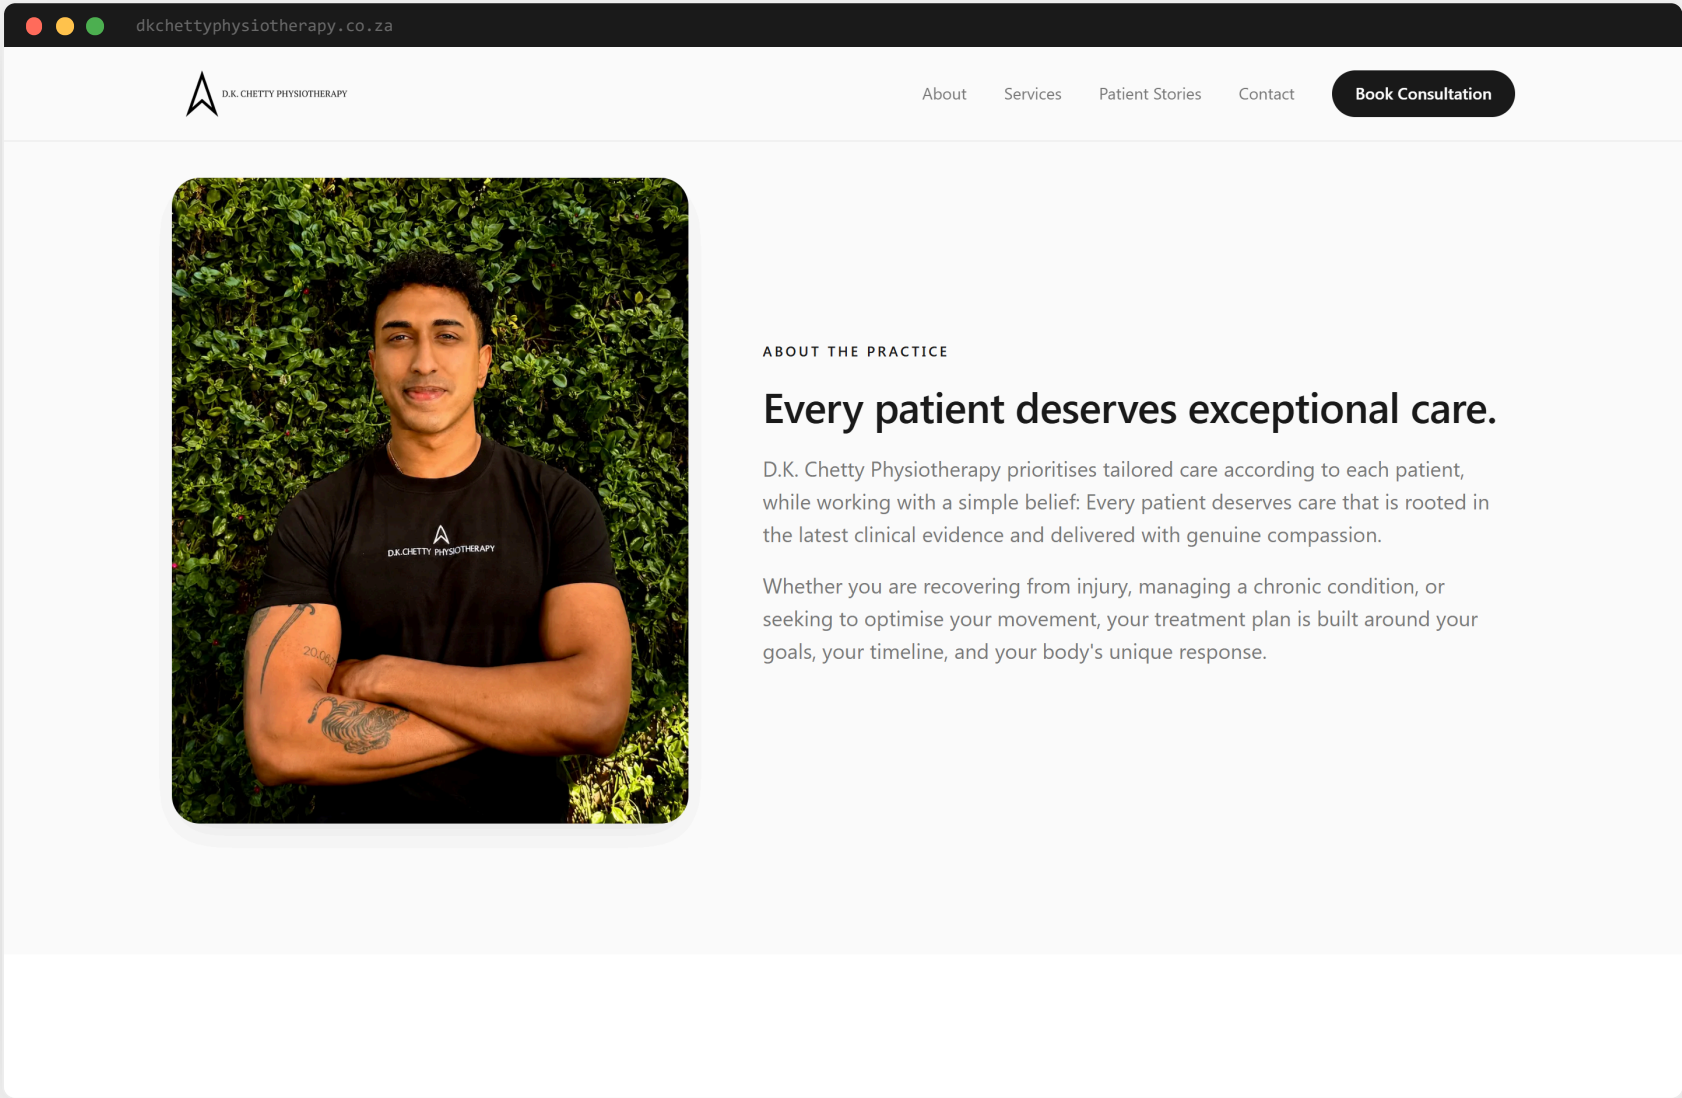

RESPONSIVE

text-center on mobile · lg:text-left on desktop

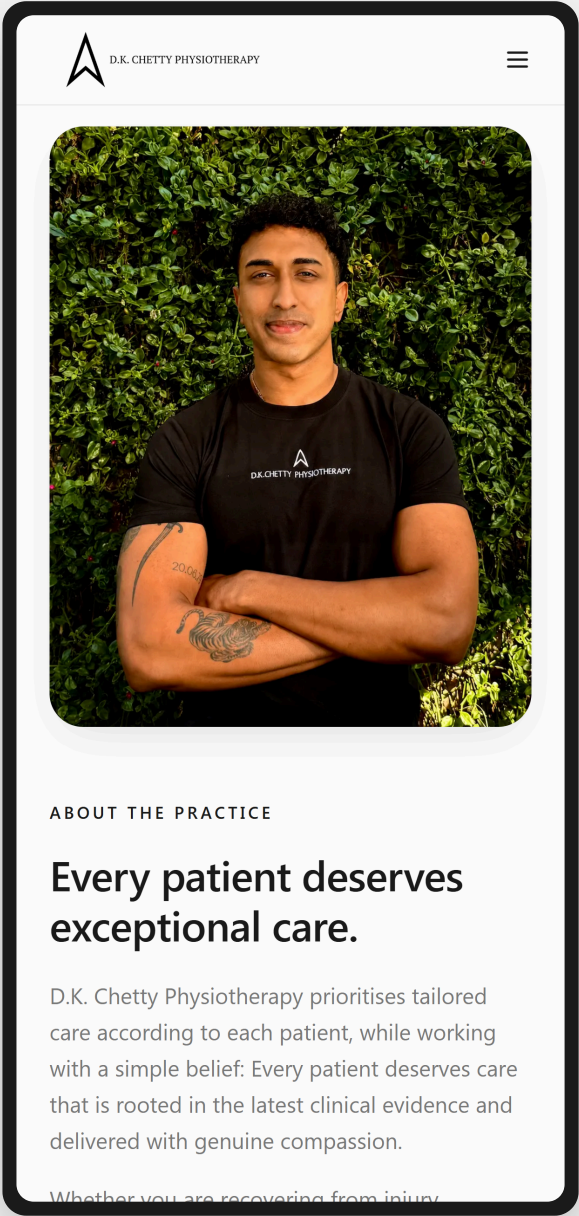

About the Practice

Two-column layout: portrait photograph left, practice mission statement right. Smooth fade-up animation on scroll reveal.

DESKTOP · 1440 × 900

MOBILE · 393 × 852

DESIGN NOTES

About the Practice

Portrait photograph (KC-potrait.png) sits in a rounded aspect-[4/5] container with overflow hidden and a soft shadow. The **practice copy** carries the core belief statement — evidence-based, compassionate, tailored care — followed by a second paragraph on individual treatment planning.

Both columns animate with **whileInView opacity + y translate** from Framer Motion, viewport once, no stagger.

IMAGE

KC-potrait.png · aspect-[4/5] · rounded-3xl · object-cover

ANIMATION

Framer Motion whileInView · opacity + y · once

COPY

Practice mission statement · tailored care belief

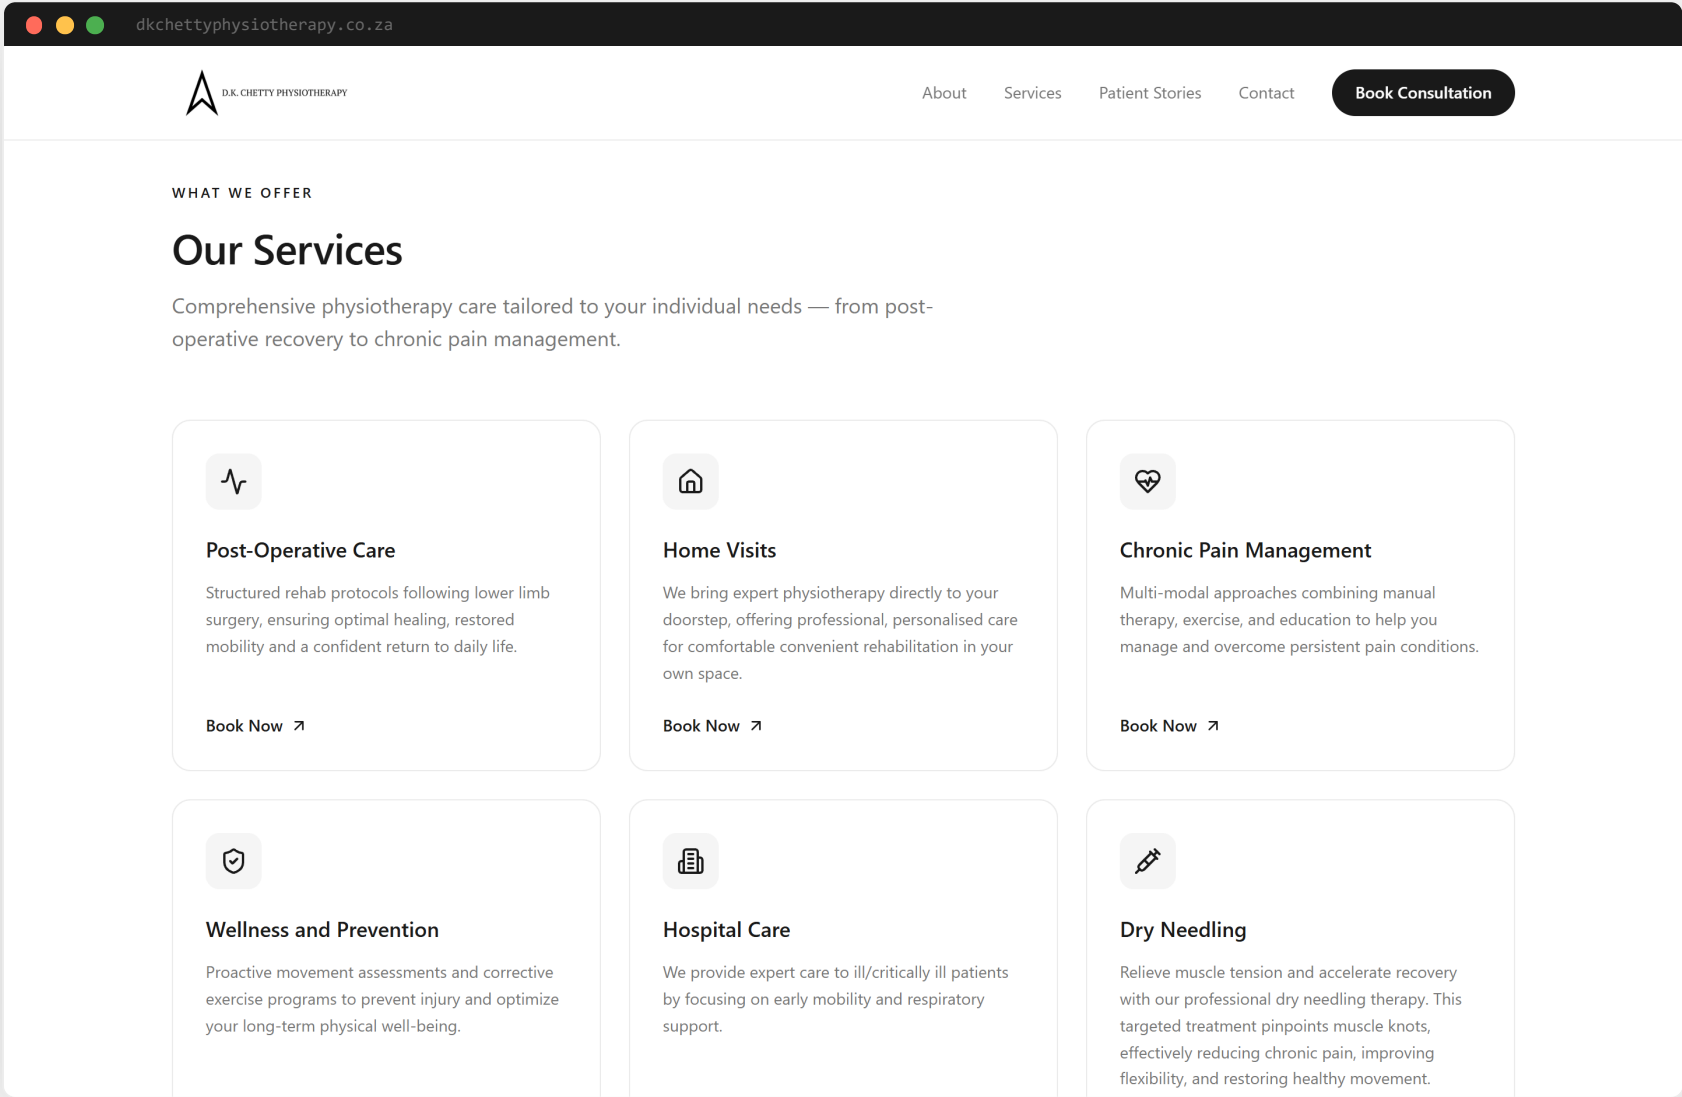

LAYOUT

lg:grid-cols-12 · col-span-5 photo · col-span-7 text

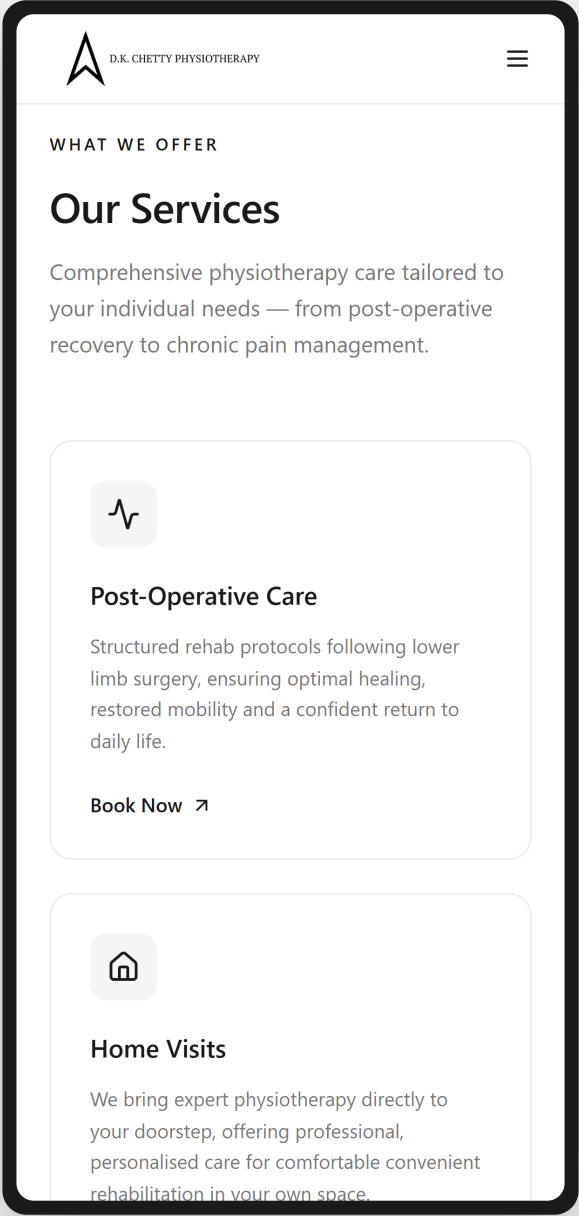

Our Services — Six Pillars of Care

Clean icon-based service cards in a 3-column grid. No images — black/white/grey palette with hover border and shadow. All 6 services listed.

DESKTOP · 1440 × 900

MOBILE · 393 × 852

DESIGN NOTES

Our Services — Six Pillars of Care

Six service cards in a responsive grid (1 col mobile → 2 col md → 3 col lg). Each card: icon in a grey rounded square, bold title, description, and a "Book Now" link with ArrowUpRight icon.

Hover state transitions border from charcoal-100 → charcoal (black) with a soft shadow. All cards animate with **whileInView**, no stagger delay, duration 0.5s.

SERVICES

Post-Op Care · Home Visits · Chronic Pain · Wellness · Hospital · Dry Needling

CARD DESIGN

Icon + title + description + Book Now CTA · no images

HOVER

border → charcoal · shadow-soft · icon bg inverts to black

ANIMATION

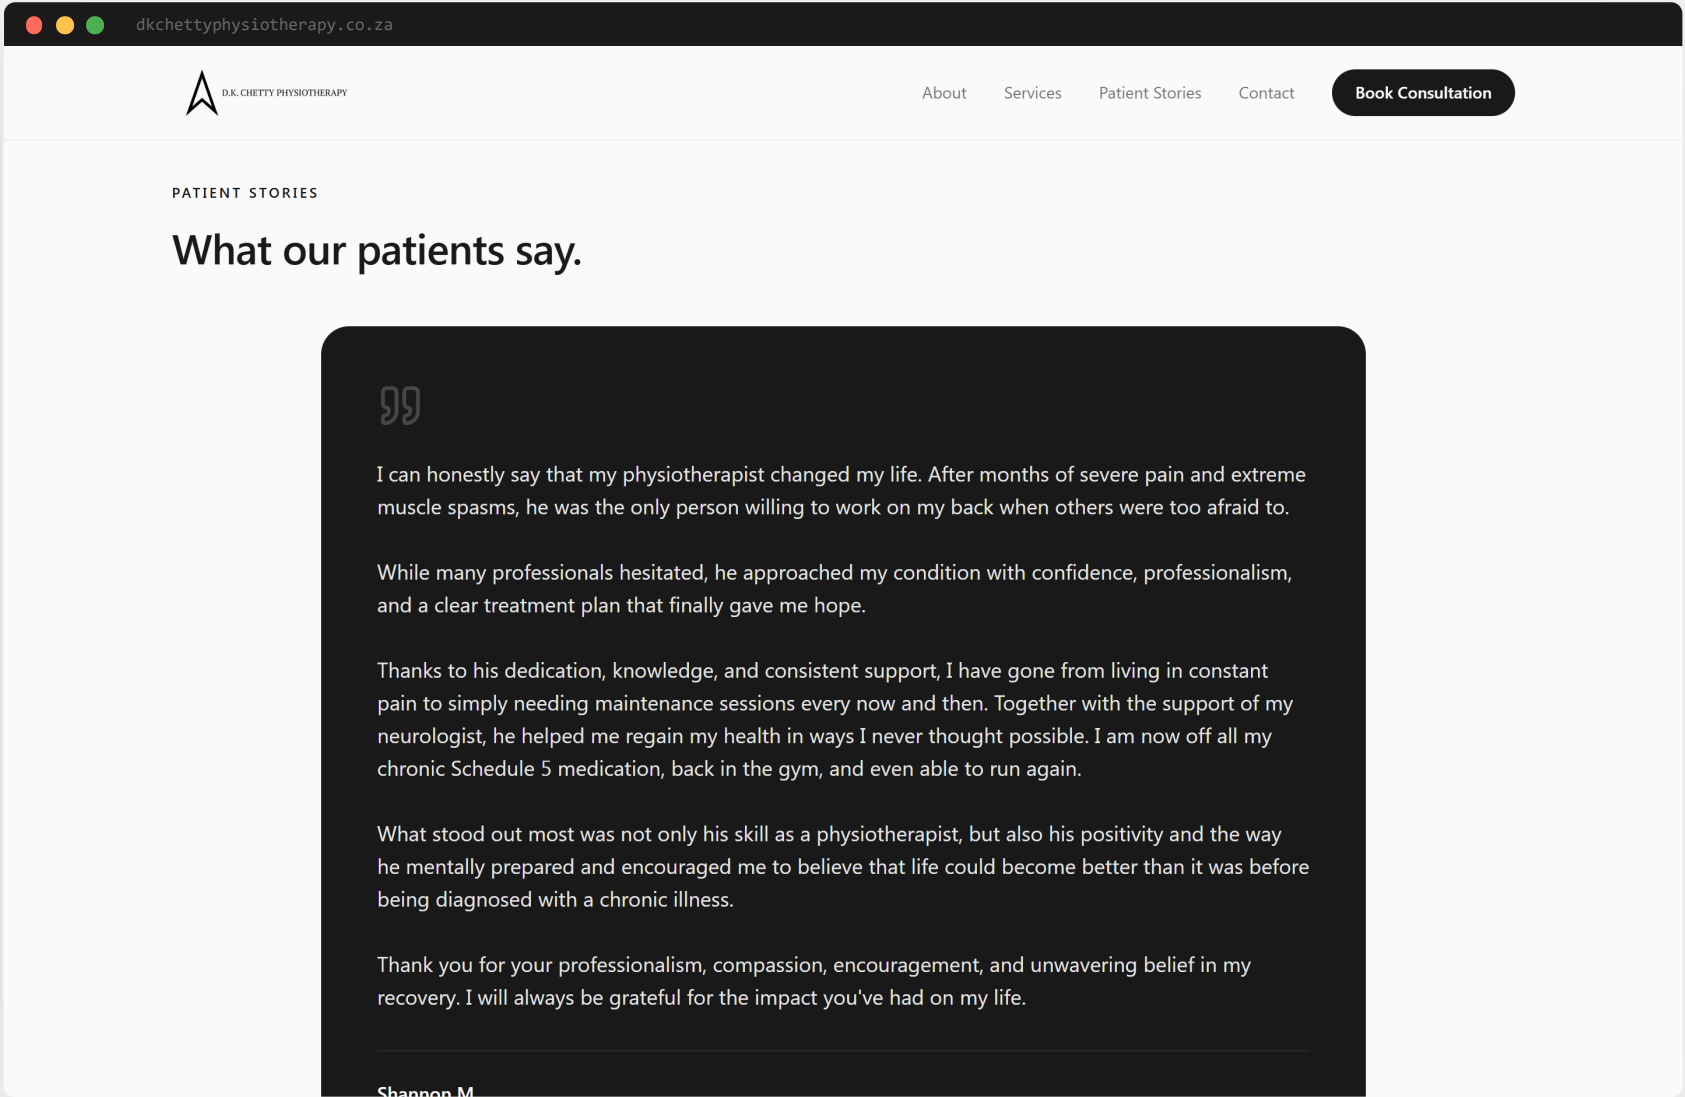

whileInView · opacity + y · no stagger · duration 0.5s

05 · PATIENT STORIES

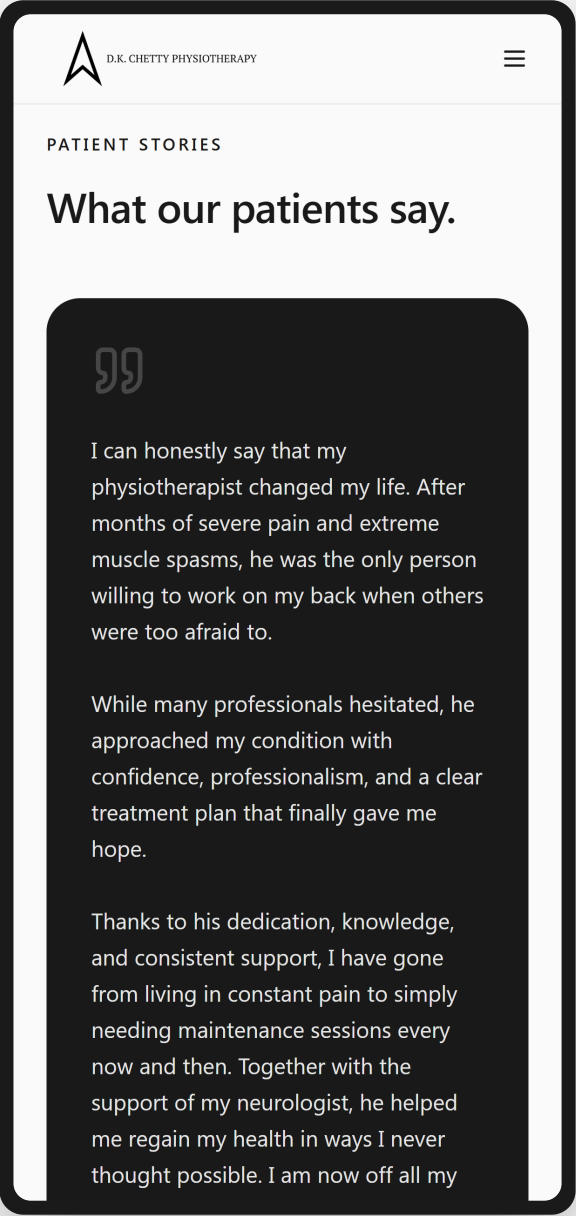

Patient Stories — Real Outcomes

Shannon M.'s full testimonial featured front and centre in a dark card. Five other patients scroll continuously in an auto-marquee below.

DESKTOP · 1440 × 900

MOBILE · 393 × 852

DESIGN NOTES

Patient Stories — Real Outcomes

Shannon M. (chronic illness & back pain) featured in a full-width dark charcoal card with a large decorative quote mark. Her extended testimonial includes recovery from Schedule 5 medication, return to the gym, and regained health.

Marquee: five patient cards duplicate to 10 items and run a CSS `@keyframes translateX(-50%)` animation at 35s linear infinite. The animation pauses on hover via `[animation-play-state:paused]`.

FEATURED

Shannon M. · full-length testimonial · dark card

MARQUEE

5 patients × 2 (duplicated) · 35s linear CSS animation

PAUSE

hover:`[animation-play-state:paused]`

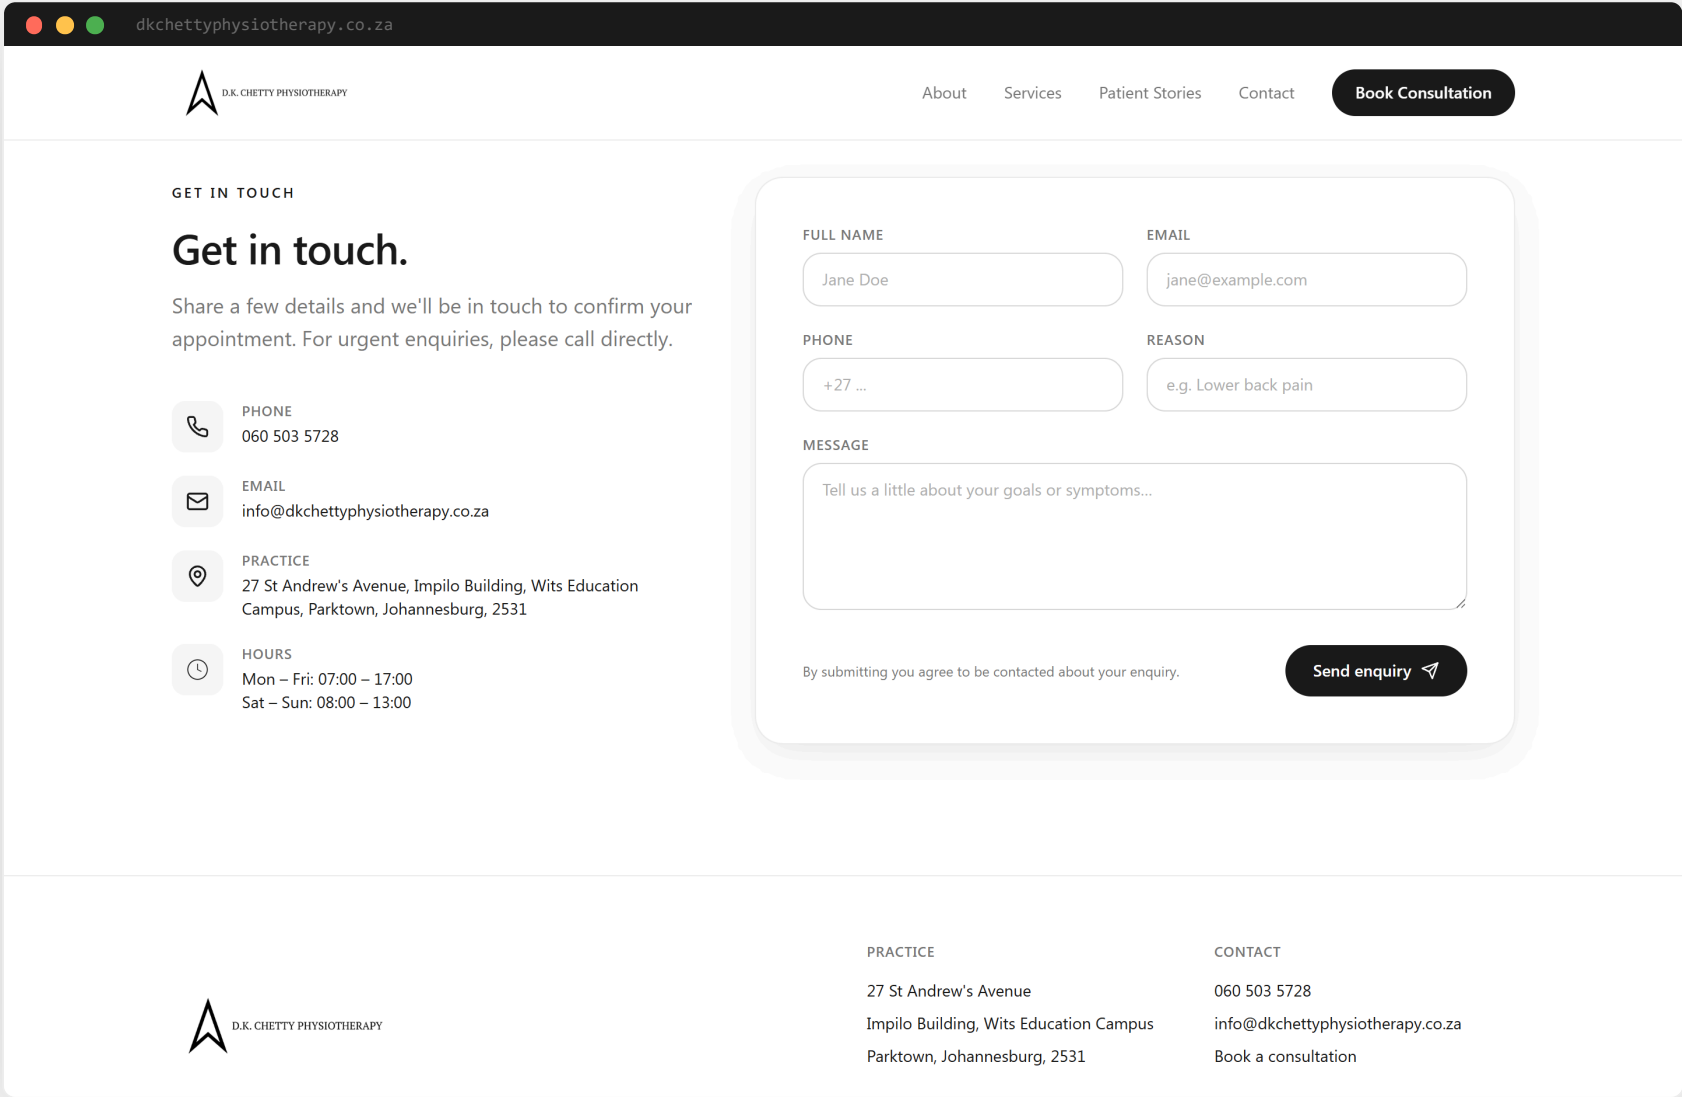

PATIENTS

Mbeki · Elektra · Pamila · Simphiwe · Kavisha

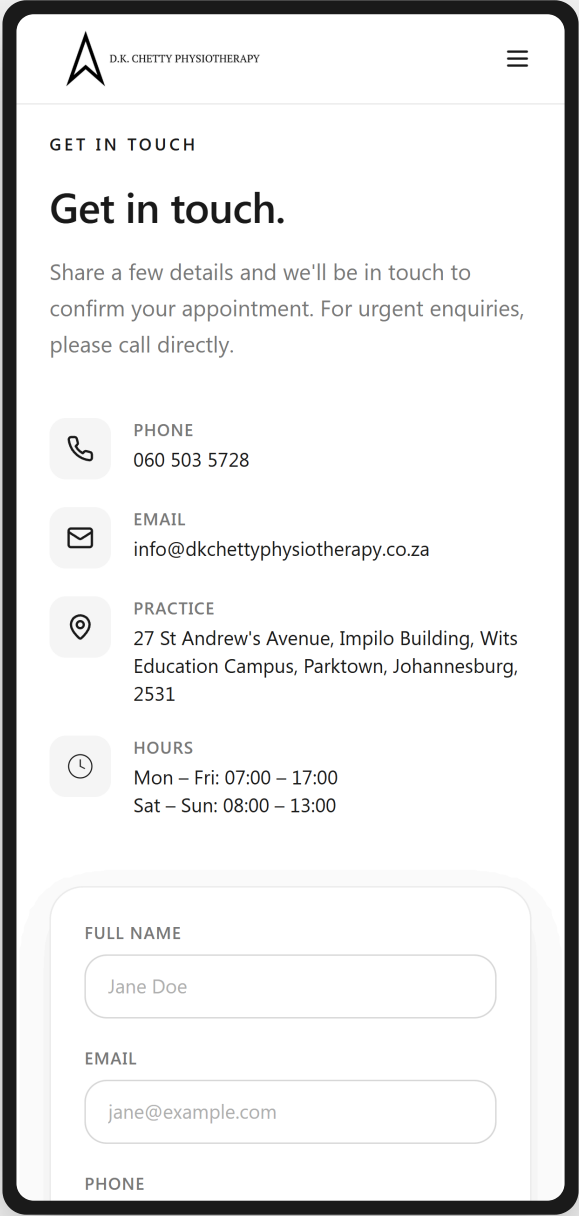

Get in Touch — Book a Consultation

Contact details panel left: phone, email, address, operating hours. Enquiry form right with name, email, phone, reason and message fields.

DESKTOP · 1440 × 900

MOBILE · 393 × 852

DESIGN NOTES

Get in Touch — Book a Consultation

Contact info column lists phone (060 503 5728), email, full Parktown address, and Mon–Fri / Sat–Sun operating hours in a clean icon + text layout.

Enquiry form renders in a white rounded-3xl card with shadow-soft. Four fields in a 2×2 grid (name, email, phone, reason) plus a full-width message textarea. Submit triggers a local sent state that swaps the button label with a CheckCircle icon for 4 seconds.
